LED

The light source of this luminaire must be replaced by the manufacturer, its technical service or equivalent qualified person.

La fuente de luz de esta luminaria debe reemplazarse únicamente por el fabricante, su servicio técnico o persona cualificada equivalente.

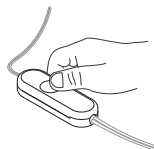

ON / OFF

Light intensity adjustment

less than 1second

continuous pressure
max 3-4seconds

1

Adjustable touch switch operation:

- By a soft and short touch it will go from ON to OFF
- A soft but longer touch will be regulated in ascending or descending intensity, until reaching the maximum limit which is indicated by a blink.
- The switch has memory, so if you turn off the luminaire at the minimum, it will turn on with the same intensity.

Funcionamiento interruptor táctil regulable:

- Mediante un toque suave y corto pasará de ON a OFF
- Un toque suave pero más largo regulará de manera ascendente o descendente la intensidad, hasta llegar al límite máximo el cual se indica mediante un parpadeo.
- El interruptor tiene memoria, por lo que si apaga la luminaria en el mínimo, se encenderá con la misma intensidad.

If the flexible cable or cord of this luminaire is damaged, it must only be replaced by the manufacturer or its technical service or a person of equivalent qualification in order to avoid any risk.

Si el cable flexible o cordón de esta luminaria está dañado, debe sustituirse exclusivamente por el fabricante o su servicio técnico o una persona de cualificación equivalente con objeto de evitar cualquier riesgo.
